 **Hackney**

daat  Hackney Drug & Alcohol Action Team

**If you are affected by
someone's drug or alcohol use,
we can offer you support**

If you are a parent or carer who supports someone attending or thinking about attending one of Hackney's drug and alcohol treatment services. **Naznin Ali - Family Support Officer** at Hackney DAAT can offer much needed support and advice.

Naznin will be running a drop-in, a free and confidential space where those affected by a family member's substance misuse can get advice and information on all aspects of drug and alcohol use. Here people can also access acupuncture if required, have light refreshments and get the opportunity to meet other peers in a similar situation.

The family support 'drop-in' takes place every **Tuesday between 5.30-7.30pm** at The New Hanbury Project, 3 Calvert Avenue, Shoreditch E2 7JP.

For more information please contact Naznin on **07985692805** or email naznin.ali@hackney.gov.uk
